Application Title: Restroom plumbing repairs

Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The cast-iron sewer drainage lines at Student Union (original construction materials) are cracking along the length of the pipe, resulting in leaking and strong sewer odors throughout the building.

We have received one proposal from one of our JOC contractors in the amount of \$12,494.68 to repair this situation.

Project Category: Plumbing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Amount of Local funds planned for this project	\$0.00
--	--------

Please outline any associated insurance coverage.

The condition exists due to age of the plumbing system, as a result of normal wear and tear. Because of the age of the facility and limited maintenance budget, we currently do not have funding to make this repair.
